ABOUT ME

After many years of being a graphic designer, I decided to go into development. It seemed like the perfect blend of both creative and strategic thinking. It allows me to combine my love of design with development, and gives me the opportunity to create even more.

Short Skills

HTML5 · CSS3 · JavaScript · React · Git · GitHub · JSON · SQL ASP.NET · C# · Adobe Photoshop · Adobe Illustrator · Adobe InDesign · Adobe After Effects · Wordpress · Squarespace
